Parasite Free Letter of Guarantee

This is our Guarantee to your company that our frozen co treated tuna products and all seafood we supply you with has been produced in a facility that complies to current Good Manufacturing Practices, operates under a program of proper Sanitation Standard Operation Procedures and operates under the guidance of United States Foods and Drug Administration guidelines for Hazard Analysis Critical Control Point (H.A.C.C.P. 21 CFR, part 123). As provided by each individual HACCP plan, products can be frozen to -20 degrees ,or less, centigrade for 72 or more hours to insure that the product is free of parasites. In particular we further guarantee that our Tuna Loins and Steaks and Wahoo Fillets and steaks are free of parasites.

This is a Continuing Guarantee.
