## Parasite Free Letter of Guarantee

This is our Guarantee through our Vendor Verification Program that our frozen products and all seafood we supply to you and listed below has been produced in a facility that complies to current Good Manufacturing Practices, operates under a program of proper Sanitation Standard Operation Procedures and operates under the guidance of United States Foods and Drug Administration guidelines for Hazard Analysis Critical Control Point (H.A.C.C.P. 21 CFR, part 123). As provided by each individual HACCP plan, products can be frozen to -20 degrees, or less, centigrade for 72 or more hours to ensure that the product is free of parasites.
